CRS500	00161	Receptacle Spacers (500 Pack Jar)
00058	00257	Receptacle Spacer Counter Display

### Fix Outlets and Switches Quickly and Efficiently

- Prevents receptacles from rocking when plug is inserted.
- Eliminates faceplate cracking and breaking.
- Raises (or shims) receptacle or switch to proper height.
- Prevents arcing by stabilizing receptacle or switch.

### Designed with the User in Mind

- Shims lock together for ease of installation.
- Each shim is 1/8" thick.
- Elongated slot for mounting screw offers friction fit so the shim stays on the screw.
- U.L. recognized electrical grade material.
- Low profile gray color blends with junction box.
- Flame-retardant material.
- Shim supports entire yoke assembly.
- Won't compress over time like softer polyethylene parts.
- No waste. 100% Recyclable.
